Purpose   Thank you for completing this questionnaire, which is helpful to me in structuring the course. All information will be kept confidential.

Full name	Prefer to be called	Pronouns	Email address

Major	Class year	Registration status (circle one)
		enrolled / wait list / neither

Background

- Please tell me a little about your background (e.g. major(s) and area of interest, other activities, significant orgs or athletics):

- Please list the three most recent quantitative courses you've taken, (which may have been in high school):

- What are your personal goals for this course?

- In which areas of applied statistics are you most interested? (e.g. biology, economics, psychology, finance, sociology, etc.) List as many as you like.

- Is there any other information that I should know?
