Criteria	1	2	3
Eye Contact	Didn't attempt to look at audience.	Focused attention on only one part of the room	Consistently made eye contact with audience at all times.
Gestures & Body Language	No gestures, slumping posture.		Looked comfortable, used natural hand gestures and upright posture.
Enthusiasm	Showed no interest in topic		Conveyed strong positive feeling throughout presentation
Background & Context	Audience had no idea what was being discussed	Vaguely told audience what project was about; used jargon that was not explained	Clearly explained what project was about
Emphasis	Audience wasn't told or doesn't remember what the key points were		Key points were clearly enunciated
Professionalism	Ran way over time; didn't seem prepared	On time, but some slides were hard to read/interpret	On time, well-rehearsed, with clear slides with attention to detailed
Completeness	Critical details, conditions, or potential confounders were completely ignored	A complete effort, but some points were glossed over	Thoroughly explained all key points
Mastery	Major flaws in reasoning; obvious mistakes in interpretation and/or analysis	Knowledge seems sufficient but not sophisticated	Impressive mastery of material

Peer Evaluation   Your assistance is required in evaluating the presentations of your peers. Please the circle the number that best describes your perception of each group's presentation. Keep the following grading rubrics in mind.

Criteria	1	2	3	Comments
Eye Contact	1	2	3	
Body Language	1	2	3	
Enthusiasm	1	2	3	
Context	1	2	3	
Emphasis	1	2	3	
Professionalism	1	2	3	
Completeness	1	2	3
