Purpose   Thank you for completing this questionnaire, which is helpful to me in structuring the course. All information will be kept confidential.

Name	Prefer to be called	Pronouns	Email address

Major		Class year	Registration Status (circle one)
			enrolled / wait list / neither

Background

- Please tell me about your background (e.g. major and area of interest, other activities, significant orgs or athletics):

- Please list the three most recent math courses you've taken (which may be in high school):

- What are your personal goals for this course?

- In which areas of applied statistics are you most interested (e.g. biology, economics, psychology, finance, sociology, etc.) [list as many as you like]?

- How strongly do you entertain the notion of working in a quantitative field after graduation (circle one)?

    not at all   hardly ever   sometimes   often   OMG, it's all I think about!

- Is there any other information that I should know?
